

The Weekly News

Dear Church Family,

"Last week we began a three part series on the cost of following Jesus. We explored how following Jesus might cost us the earthly existence we think we should have, to embrace the existence in God's kingdom that has been prepared for us. The idea of the "Uncommon sense of following Jesus" is that sometimes following God will cost us "wisdom" in the eyes of the world. It may seem foolish, silly, or irrational, and yet it is the path that God leads us in at times. Are we willing to be "foolish" in the eyes of the world to embrace the "wisdom" of following Jesus?"
