

The Weekly News

Dear Church Family,

How do you recognise the voice of God speaking to you? Join me as we dip into the book of Genesis this week – Genesis is primarily a book about God ... God's Nature, God's Power, God's character. God speaks, God acts with authority, God is majestic, unparalleled with any other in the Universe. God is not one of many god's; God is the only God!

Perhaps, in order to learn to “hear” God speak means we first need to see God for who God is?

Tim

SIMPLY GOSPEL

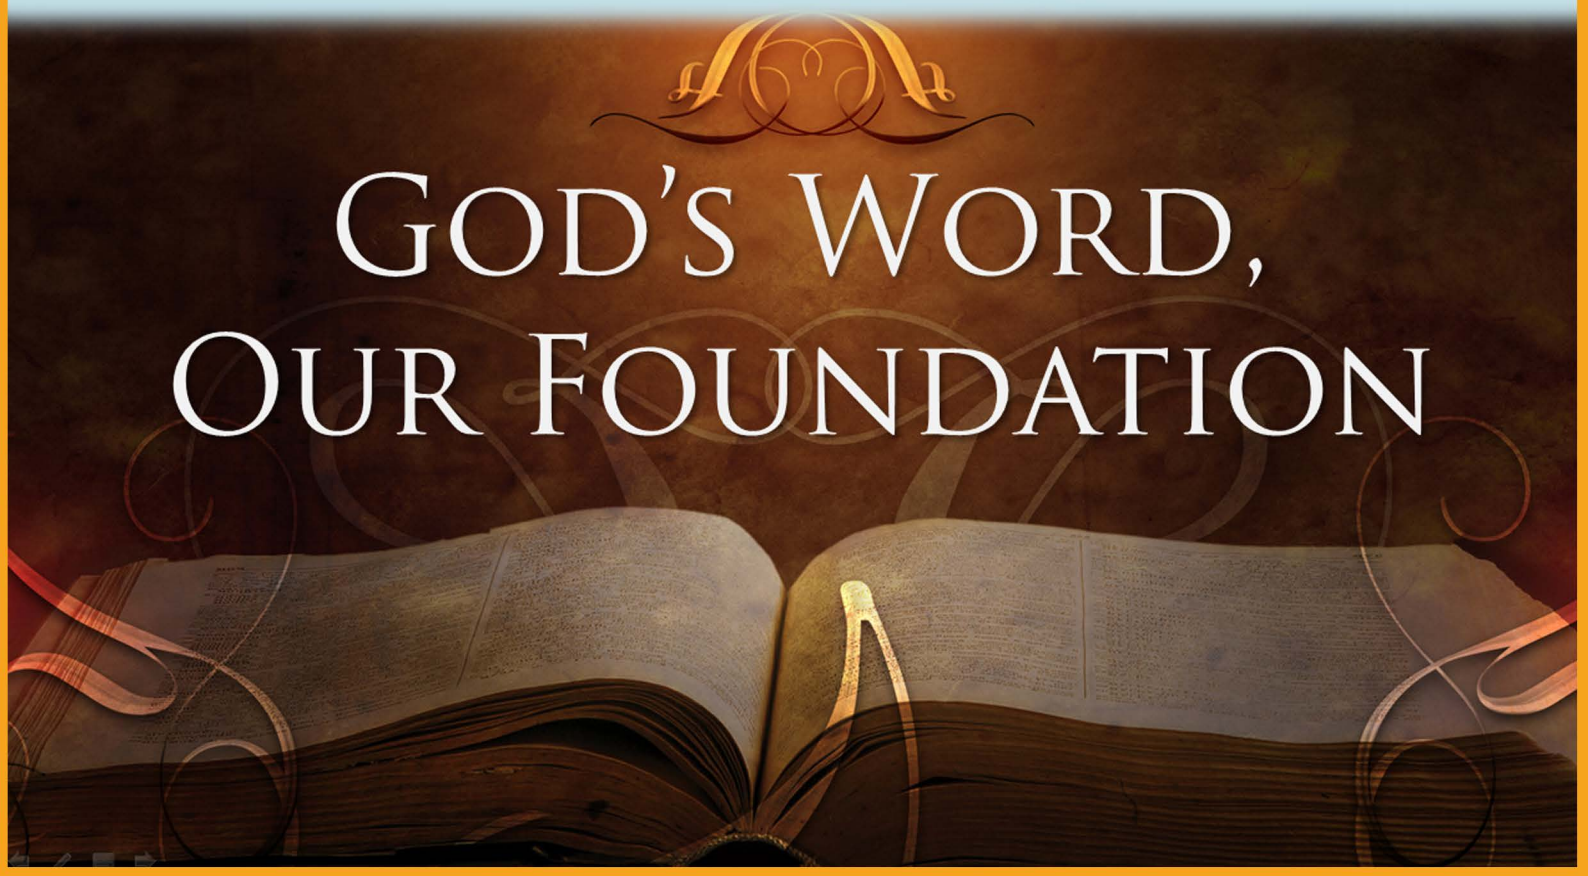

Thank you from Simply Gospel

Dear St Thomas congregation. We as Simply Gospel would like to thank you for your support and encouragement of our third Simply Gospel concert. We managed to raise R19611 for House Helena (Roost Coffee Truck added to that) so we have donated just over R 20,000 to the house. We could not have done this without the support of those who bought tickets.

Thank you.

We were blown away by the support and wonderful response and appreciate every message and comment that came our way. We give glory to God for this event, for His guidance and His hand over the practices and the performance. God is so good! It has been a privilege to work with this group and grow together and worship together. It was an opportunity to break barriers between churches and have an evening with many churches represented.

Thank you all.

GOD'S WORD,
OUR FOUNDATION
